I/We declare on my/our own responsibility that the paper is original, has not been published and is not subject to publication in another journal. Also, significant parts of the work have not been published. If the paper is the result of previous presentation in an academic conference and parts of it has been included in proceedings, this information is included in acknowledgement.

I/We respect entirely the policy of **Management Dynamics in the Knowledge Economy** regarding to the redundant, duplicate or fraudulent publication<sup>1</sup>. Also, I/We assure on my/our own responsibility not to:

- Willfully and knowingly submit false data
- Submit data from a source not the authors' own
- Submit previously published material (with the exception of abstracts) without correct and proper citation
- Omit reference to the works of other Investigators that established a priority
- Falsely certify that the submitted work is original
- Use material previously published elsewhere without prior written approval of the copyright holder.

---

<sup>1</sup> Duplicate publication is a paper that overlaps substantially with one already published in print or electronic media. At the time of manuscript submission, authors must inform the editor about all submissions and previous publications that might be regarded as redundant or duplicate publication of the same or very similar work. Any such publication must be referred to and referenced in the new paper. Copies of such material should be included with the submitted paper as a supplemental file.
